

PMIR Case Reviews

PMIR

About Us

TESMEL has one of the most competitive case review rates in the industry and our cases are reviewed by physicians!

Contact Us

Phone: 510-734-8800

Email: tekschlaich@comcast.net

Web: www.tesmel.com

- The PMIR is designed to provide insight into the case. The reviewing physician will determine the merits of your case and will discuss the strengths and weaknesses, and will provide recommendations as to what experts will be needed to move the case forward.
- **TESMEL** will refer you to a qualified physician to review your case. A physician specialized in medical case reviews, with experience in the medical legal arena. In most cases **PMIR's** are completed within 7 business days.

How to have your case analyzed!
