

TESMEL will locate a qualified Expert to review your case to render an authoritative opinion regarding the merits of the case. We are quick and precise at finding what Expert's qualities will be a valuable asset to address the concerning issues. You will receive the Curriculum Vitae of the Expert for approval.

Our Expert Medical Witness Locator Services are a flat fee of **\$400** per Expert.

Why contact TSMEL?

TESMEL, LLC is an experienced and knowledgeable Medical and Technical Expert Witness referral service with years of locating and placing medical experts; expert witnesses for both plaintiff and defense clients. We provide qualified and board certified Medical Experts nationwide for the most challenging and complicated medical legal cases; medical mal-practice, personal injury and product liability. We also provide Technical Experts that will render authoritative opinions in their respective fields.

Please review our comprehensive list of Expert Specialties under Medical Specialties.

You explain your case; our staff will provide a Medical Expert or Physician Merit Initial Reviewer or a Medical Expert, your choice. Please complete the **Case In-Take Form on our website and we will contact you promptly.**
